#### **Receptionist/Secretary**

We are pleased that Catherine Allaway has joined the team. Catherine will work around reception as well as completing secretarial work.

### Leavers...

We bid farewell to our GP registrar, Dr Jane O'Dell, who continues with her GP training.

Denise Brown, Data Services and Research & Dispenser, will be leaving us shortly.

Charlotte Breen, receptionist, she has moved on to go to University and study Criminology.

We wish them all the best in their future careers.

### Flu Clinics

Flu season is fast approaching and we will be offering Flu inoculations at clinics on the dates shown on the next page.

We will be writing out to 'at risk' patients to allow them the opportunity to come to these clinics.

'At risk' patients between 3 & 17 years old will be offered the nasal spray flu inoculation.

### DNA 'Did Not Attend' Report

Please remember to cancel an appointment you are unable to attend or no longer need. The practice reviews on a monthly basis all cases of non-attendance. This is where a patient both failed to turn up at the surgery and failed to notify the Surgery in advance.

In August we had a total of **42** un-attended appointments

Each appointment missed prevents us from seeing another patient.

### Repeat Prescriptions

Where possible we ask you to please wait to ring till mid-morning for repeat prescriptions, as between 8-9:30am the phone lines tend to be for appointments only.  
We appreciate your cooperation with this.

### Online Services

Our online services include both 24hour appointment bookings and repeat prescription ordering. To access our online services you will need a username and password which can be obtained from our reception. (Please note you will be asked for ID)
